WORLD CHANGERS!!

Our Mission

Preparing rising generations to change the world through academic excellence, Christ centered education, personal mentorship and hands on community involvement.

Our Values

- The Word of God-It is our standard for living. Daily study and memorization builds the foundation for all that we are and all that we are becoming.
- Personal growth and transformation-As we learn and apply the principles of God's Word to our lives on a daily basis personal growth and transformation will be the result.
- Healthy self perspective-Understanding each person's unique, individual design, strategically crafted by God for a specific purpose. Healthy self-perspective leads to a healthy life perspective.
- Discipleship- Depositing the Word of God diligently and carefully into the hearts of others as we live life together, expecting life transformation to be the result. We all are called to disciple and to be discipled regardless of age.
- Excellence-ALL efforts should be done to the BEST of our abilities as if we are doing them for the Lord. Excellence is the standard, not the option.
- Patriotism-As citizens of the United States of America, we unapologetically pledge to our flag, support our military and pray for our country's leadership.

The Living Way Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, ethnic and national origin in administration of its education policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

The Academy shall be open to all on the following basis:

1. All prospective students and their parents (both) shall meet with the school staff for an examination conference. Said conference would be held to determine the Christian character and personal integrity of those wishing to enter the Academy.
2. All students and parents shall sign, hold to and actively seek to follow the rules and regulations set forth in this school handbook, and the Standard of Conduct form, knowing that violation of such rules could constitute dismissal from the Academy.
3. The Parent/Guardian will be responsible for the cost of the student attending the Academy. A weekly education fee (tuition) will be assessed for each student and discussed upon enrollment. ***Lack of payment may necessitate the removal of the student from the Academy. Please note that this is NOT a punitive measure. This academy simply must have income in order to provide its service and tuition is the ONLY source of income for the academy. If you foresee a problem with an upcoming week's payment please come to the administration BEFORE it becomes delinquent, don't wait until it is late. HOWEVER, If an account does become more than 2 weeks delinquent the student will be denied access to online curriculum until paid in full. For those in books a late fee will be applied to your account.***
4. The academy administration reserves the right to interpret the rules and standards set forth in this handbook, and to make appropriate changes as needed.

ADMISSION PROCEDURES

1. School Handbook read and accepted by BOTH parent and student(s).
2. A completed application form and \$25.00 application fee is submitted along with any previous student records and transcripts available, including any IEP, health forms, a copy of the child's birth certificate, and Social Security card.
3. The school office will then call the parents and schedule an admission interview attended by both parents and the student. (If a single-parent family, then the custodial parent must attend.)
4. Diagnostic testing ***will be required*** prior to admission based upon past achievement.
5. Parents must agree to adhere to all DOE requirements.

OPPORTUNITY

The objective in building a private Christian School is to obey the Scriptural imperative of Deuteronomy 6:5-7: "...love the LORD thy God with all thine heart, and with all thy soul, and with all thy might. And these words, which I command thee this day, shall be in thine heart: And thou shalt teach them diligently unto thy children."

And, of Proverbs 22:6 - to train up a child in THE WAY HE SHOULD GO. Teaching is training. Training for life must include training for eternity.

Living Way Academy partners with parents to educate their children. This partnership comes by way of on-campus instruction for a maximum of 60% of each school week with the remaining 40% being completed at home under the supervision of a parent.

Attendance at Living Way Academy is a privilege and not a right.

The goal of this academy is not to reform, but to train Christian youth of every ability in the highest principles of Christian leadership, self-discipline, individual responsibility, personal integrity and good citizenship. This school stands, without apology, for the Gospel and the highest standards of morality and Christian behavior.

CHURCH AFFILIATION

It is our desire that each family attends a Bible-believing church of their choosing. ***This is not a requirement for attending Living Way Academy but is strongly recommended.***

STATEMENT OF FAITH

We believe in:

- The inspiration of the Bible, equally in all parts and without error in its origin;
- The one God, eternally-existent Father, Son and Holy Spirit, Who created man by a direct and immediate act;
- The pre-existence, incarnation, virgin birth, sinless life, substitutionary death, bodily resurrection, Ascension to Heaven, and the second coming of the Lord Jesus Christ;
- The fall of man, the need of regeneration by the operation of the Holy Spirit on the basis of grace alone, and the resurrection of all to life or damnation; and
- The spiritual relationship of all believers in the Lord Jesus Christ, living a life of righteous works, separated from the world and its standards.

Two types of partnership:

Fully Accredited enrollment. Students enrolled in the accredited enrollment will be required to follow all student procedures and schedule as stated in the student handbook. Students must use the prescribed curriculum of the Academy. All testing **MUST** be done on campus and any classes taught on campus must be attended weekly for credit towards graduation.

Home School Member. In an effort to provide support for homeschool families who may not be interested in being fully enrolled at LWA , the academy has created a homeschool member option.

This option is as follows:

\$400 yearly membership fee per family.

As a member you will have access to take any classes offered on campus at the following rates:

1 student \$25 per week

2 or more students \$40 per week

(Additional fees may be required for science classes)

Accredited transcripts will be issued for those classes taken for high school credits upon completion.

CURRICULUM

Living Way Academy uses the individualized, interactive, web based curriculum published by **Alpha Omega**. In addition to academic excellence, the advantages of the Alpha Omega curriculum are its emphasis on individual instruction, digital literacy, its promotion of the development of student responsibility, and its encouragement of Christian character development.

GRADING SCALE

A 4.0 scale is in place.

GRADUATION REQUIREMENTS

Students must complete all prescribed courses associated with the diploma type being pursued. Satisfactory grades must be achieved in each class.

Please Note: A student must complete an academic year of study at LWA before prior independent studies can be verified.

REPEATED CLASSES

If a student fails to achieve a passing grade in a required class, he/she will be required to repeat the class until a passing grade is attained.

STANDARDS OF CONDUCT

Students are expected to act in an orderly and respectful manner, maintaining Christian standards of courtesy, kindness, language, morality, and honesty. Students must agree to strive toward unquestionable character in dress, conduct, and attitude.

Students whose conduct away from the school may bring discredit, embarrassment, or unfavorable attention upon the school, will have their enrollment assessed during a conference with their parents.

Any student observing questionable activities or overhearing conversations which are contrary to the policies of this academy should immediately discuss the matter with the principal. THIS IS NOT TATTLING. It has been said, "All it takes for evil to triumph is for good men to do nothing." "...to him that knows to do good, and does it not, to him it is sin." James 4:17

ACCREDITATION

This academy is "Accredited Fully with Quality" by the Georgia Accrediting Commission (GAC) as a non-traditional learning center.

PARENTAL INVOLVEMENT

Parent orientation and conferences promote a good understanding between parents/guardians and the faculty/administration of this school. Every parent is required to participate in these informative and helpful programs, NO EXCEPTIONS. Closed Campus Policy

Students may not leave the school grounds during school hours without permission from the Principal and parent. **Students not enrolled at Living Way will not be allowed on campus without permission from the principal.**

DISCIPLINE

This is not a corrective institution; consequently, we ask that a child not be enrolled with the idea that we will reform him/her. We are here to work with the home, but not to take the place of parents who have experienced difficulty in fulfilling their roles.

- All new students are admitted on probation for the first six weeks of school.
- The student must at all times conduct himself/herself in a manner becoming to a Christian. GRIPING IS NOT TOLERATED! If your child does come home complaining about a policy or discipline, please follow this procedure:
 1. Give the staff the benefit of the doubt.
 2. Realize that your child's reporting could be emotionally biased and may not include all the information.
 3. Realize that the school has reasons for ALL OF ITS RULES and that they are enforced without partiality.
 4. Support the Administration and call the school for all the facts.

When a child's attitude is not in accord with school policies or principles, the child will be spoken to by the principal, who will give Biblical direction for maintaining a proper Christian attitude. If this does not help, the child will be placed on probation and both parents will be called for a conference with the administration. If the administration feels the situation has not changed within two weeks, the parents will be asked to withdraw the child.

Should a child's actions become disruptive to the class so as to violate school policies willfully, or the showing of disrespect for authority, the child will not be permitted to return to school until the parent has spoken to the Principal concerning the situation. Out of School suspension may be administered after speaking with the parent.

High school students, in particular-because of their testimony before younger children - are asked to adhere to the school's philosophy and Christ-centered program. Such adherence includes abstaining from smoking, vaping, use of alcoholic beverages, use of narcotics, swearing, public displays of affection, and any other questionable practices.

This school is dedicated to the training of children in a program of study, activity, and living that is Christ-centered. We believe that "all things should be done decently and in order" and that our students should be taught to accept the responsibility to "walk honorably before all men."

Students are reminded that the Lord Jesus Christ expects us to become disciplined in all of life:

- “Children, obey your parents in all things: for this is well pleasing unto the Lord.” Colossians 3:20
- “Let every soul be subject unto the higher powers...” Romans 13:1
- “Obey them that have the rule over you, and submit yourselves...” Hebrews 13:17
- For the commandment is a lamp; and the law is a light; and reproofs of instruction are the way of life.” Proverbs 10:17
- “Chasten thy son while there is hope, and let not thy soul spare for his crying.” Proverbs 19:18
- “Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him.” Proverbs 22:15

GENERAL COMMENTS FOR PARENTS AND STUDENTS – Please ensure your children fully understand these rules.

To ensure that everyone receives maximum spiritual, academic, and social benefit from school activities, no student is permitted to leave the campus before the normal end of the school day, unless he or she is working on an approved work-release program (student must provide a weekly work schedule). ***It must also be remembered that if a student earns a detention, serving that detention takes priority over after-school jobs.*** If a student fails to meet academic obligations, parents may be asked to consider fewer work hours for the student.
